A 15 PER CENT CASH DIVIDEND will be paid in July, 1919, to all stockholders of record, July 5th, 1919.

CAPITOL PETROLEUM HAS PAID 43 1/2 per cent dividends to stockholders in one year.

DIVIDENDS—

No. 1.—4 per cent October, 1918

No. 2.—10 per cent April, 1919

No. 3.—12 1/2 per cent April, 1919

No. 4.—15 per cent July, 1919

A 15 PER CENT CASH DIVIDEND WILL BE PAID ON JULY 5, 1919, TO STOCKHOLDERS OF RECORD, JULY 5, 1919.

Owing to recent developments the Board of Directors has decided to withdraw the Treasury Stock from the market on July 1919, which is the date of record for subscribers to participate in the July dividend, which will be 15 per cent on par. If the stock is placed on the market again, the price will probably be beyond the reach of a great many of our friends, therefore we urge you to buy now.

As stated above, the Treasury Stock will be withdrawn July 5th. However, all indications now point to an early withdrawal of the 25-cent allotment, therefore we cannot promise to fill orders received to that date, but will fill them as long as the Board of Directors will permit drawing on the 25-cent allotment.

To get Treasury Stock at present price, and to participate in the July dividend your subscription must be dated and mailed, on or before, July 5th, 1919.

STOCK NOW 25 cents per share; reservations accepted by wire on short notice.
